Camp Kodenkan North August 15 - 19, 2018 Quincy, CA

Since 1974, Camp Kodenkan North has been one of the best and most unique places to train in Danzan Ryu Jujitsu.

At Camp, people often find that they have the opportunity to delve deeper into DZR. Professors and senior instructors are readily available for conversation or special classes. There is also plenty of leisure time, good food, storytelling, and more! Camp North is appropriate for **all ranks**, ages 18 and over (exceptions can be made through the Camp Director). All *Kyu* ranks are especially encouraged to attend. We will again have a **raffle** this year featuring a variety of martial arts items. Bring a little cash for tickets, and you might win!
