

Wasenshi Kan Martial & Healing Arts is pleased to offer the first course of the Danzan Ryu Seifukujitsu Massage Institute's massage program!

Professor Okazaki, founder of this style of massage, taught jujutsu and Seifukujitsu massage to his students, promoting the idea that the fighting spirit should be balanced by the healing spirit.

Seifukujitsu is derived from his training in Japanese restorative techniques as well as traditional Hawaiian bodywork.

The course is offered over 8 weekends. Curriculum includes practical training in the massage itself, basic Traditional Chinese Medicine theory, Anatomy, and Standards of Practice.

The full course tuition is only \$795 for all 8 weekends, and a daily rate of \$75 per day is also available.

Successful completion of the 150-hour course leads to recognition by the DZRSI and Wasenshi Kan as a DZRRT Massage Technician.

Current AJJF registration and background screening are required of all students. Applications will be available on site.

Visit www.wasenshikan.org/massage to register and for more information, or call 916-281-9427.
